

Love Speaks List of Interview Topics & Angles

Featuring interview topics, & some possible interview answers

- (1) Carl, why did you write this book?
 - From day 1 of becoming a Christian, I sensed His love & His voice speaking to me personally!
 - As a cancer survivor: His love, presence & voice have been present every day on the journey. I am helping people in any tough circumstance understand that HE is right there, ahead, behind, and beside you.
 - The world is in turmoil! Yet His plan is to teach His troops how to recognize His voice & His marching orders in the midst of shakings.
- (2) You say there are 21 “ways” that God is reaching out possibly every week. Many churches teach that the Bible is the clearest “way” to hear from God. Would you agree?
- (3) And yet, you “claim” there are 20 “more ways” beyond the Bible that God is speaking?
- (4) You have organized these “ways” as very common, common, and less common. You explain the “most common” is God speaking through the Bible and the “least common” is the audible voice. Have you ever heard an audible voice?
- (5) You put “prophecy” and some other gifts of the Holy Spirit in the “less common” category, and yet there are many churches that claim prophecy is a daily experience. Can you comment?
- (6) Do you “ground” each of these “ways” in the Word of God?
- (7) You seem to distinguish certain “ways” as originating from the Father, Son or Holy Spirit. Are you claiming we can hear differently from the different persons of the Trinity?
- (8) Are there any “controversial” themes in your book?
 - Sure. I propose that ONLY Christians actually RECOGNIZE the voice of God. That means that Islam, Buddhism, Judaism, and other world religions are certainly praying, but they cannot perceive that God is responding.

- Only Christians have the unique relationship, through Christ, to our Heavenly Father, by the Holy Spirit. The Holy Spirit is the key to recognizing God’s voice.
- There are exceptions to this rule, of course, like angels visiting certain people (this happened to Cornelius in the Book of Acts) or Jesus appearing in dreams like He is doing all over the Muslim world. But for the most part, you need to be a Christian to discern the voice of God.

(9) What are your anchor Bible verses in the book?

Jeremiah 31:3 says, *“The LORD appeared to me from of old, saying, ‘I have loved you with an everlasting love. Therefore I have drawn you in lovingkindness.’”* And 2 chapters later the promise comes, *“Call to Me, and I will answer you, and show you great and mighty things which you do not know”* (Jeremiah 33:3). So, LOVE SPEAKS!
